.

PhD student at AMSE

Profile

Currently pursuing a PhD at Aix-Marseille School of Economics, my apetance for economics and social sciences in general is stronger than ever. Sensitive to environmental issues, my current research paths explore how political and cultural preference shape individuals' attitudes toward green policies.

Academic background

- **2022-2024 :** Master in economics , Aix-Marseille School of Economics.
  M2 Empirical and Theoretical Economics,
  M1 Economics.
